

SETTLEMENT AGREEMENT AND GENERAL RELEASE

I. PREAMBLE

This SETTLEMENT AGREEMENT AND GENERAL RELEASE (hereinafter referred to as the "Agreement") is made and entered into by and among the County of Los Angeles and all its constituent departments and divisions, including the Los Angeles County Chief Administrative Office and Los Angeles County Department of Health Services (collectively, the "County") and the Union of American Physicians and Dentists ("UAPD"). The County and UAPD may be referred to individually as a "Party" or collectively as the "Parties" for the following purposes and with reference to the following facts:

II. RECITALS

1. WHEREAS, UAPD is the former representative of County employees employed as physicians for purposes of their labor relations with the County pursuant to the Meyers-Milias-Brown Act, Government Code sections 3500, et seq.
2. WHEREAS, the County and UAPD were involved in labor negotiations in 1999-2001 regarding a Memorandum of Understanding to set forth the wages, hours and other terms and conditions of employment for the physicians employed by the County that UAPD represented (Physician, M.D. and Physician Specialist, M.D.) The Parties did not reach agreement, and after impasse resolution procedures were exhausted, the County imposed terms and conditions of employment. As a result of the imposition of terms and conditions of employment, effective January 1, 2002, all physicians represented by UAPD were enrolled in the Choices benefit program ("Choices") and were no longer eligible to enroll in either the Flex benefits program ("Flex") or MegaFlex benefits program ("MegaFlex"). Moreover, physicians represented by UAPD were no longer eligible to participate in a 401(k) Plan ("401(k) Plan") nor

eligible for the matching contributions from the County they previously received. All events culminating in the imposition of terms and conditions of employment and ineligibility to participate in the 401(k) Deferred Earnings Plan including, but not limited to, enrollment of physicians represented by UAPD in Choices and disqualification of physicians represented by UAPD from participation Flex and/or MegaFlex until subsequently re-enrolled in them, as well as becoming ineligible to participate in the 401(k) Plan, and becoming ineligible to receive matching contributions from the County, shall be referred to collectively as the "Negotiations."

3. WHEREAS, UAPD filed a lawsuit in Los Angeles County Superior Court, Case No. BS081517, against the County, seeking to compel the County to re-enroll its members in the Flex/MegaFlex programs. This litigation culminated in a published opinion by the California Court of Appeal on July 25, 2005, in favor of UAPD, *Union of American Physicians and Dentists v. Los Angeles County Employee Relations Commission* (2005) 131 Cal.App.4th 386 ("Opinion"), and a subsequent Preemptory Writ of Mandamus ("Writ") being issued by the Superior Court against the County. The litigation culminating in the Opinion and subsequently, the Writ, shall be referred to collectively as the "Litigation."

4. WHEREAS, the Writ required the County to retroactively re-enroll physicians represented by UAPD into Flex or MegaFlex and to make them whole for having been enrolled in Choices.

5. WHEREAS, physicians represented by UAPD chose to decertify UAPD as the exclusive representative, opting to become unrepresented County employees.

6. WHEREAS, effective January 1, 2004, all County physicians were again enrolled in Flex or MegaFlex.

//

7. WHEREAS, the Parties recognize that physicians received valuable benefits while enrolled in Choices, and that any damages to be recovered by the physicians for not being enrolled in Flex/MegaFlex for the two year (January 1, 2002-December 31, 2003) period when they were not enrolled in Flex/MegaFlex must be offset by the value they received while enrolled in Choices.

8. WHEREAS, the County contends neither the Opinion nor Writ address the issue of eligibility to participate in the 401(k) Plan, as the 401(k) Plan is not a benefit coming within Flex or MegaFlex. UAPD contends 401(k) Plan eligibility is encompassed by the Opinion and Writ.

9. WHEREAS, approximately 841 physicians were employed by the County at some point during the period of January 1, 2002, through December 31, 2003, some of whom were never eligible to enroll in Flex, MegaFlex or Choices.

10. WHEREAS, of the approximately 841 physicians who worked for the County at some point during the period of January 1, 2002, through December 31, 2003, UAPD's initial analysis indicates that 194 of them suffered no damages and are not entitled to any payment under this Agreement.

11. WHEREAS, the County and UAPD wish to finally settle and resolve all disputes and controversies between them related to the Negotiations and Litigation, in order to make their peace and avoid further litigation, the uncertainties of litigation, and the expenses and costs incident thereto.

III. DISPOSITION OF CLAIMS

NOW, THEREFORE, the Parties covenant and agree as follows:

//

1. Upon execution of this Agreement, UAPD hereby irrevocably and unconditionally releases and discharges the County, its officers, executives, agents, heirs, assigns, executors, directors, representatives, affiliates, employees, attorneys, insurers, successors-in-interest, and representatives of each of them, past or present, from any and all claims, actions, causes of action, judgments, liens, indebtedness, damages, obligations, losses, liabilities, claim for attorneys' fees or costs, and all other claims and rights of action of all kinds and descriptions, which UAPD has or may have, whether known or unknown, suspected or not suspected to exist, actual or potential, anticipated or not anticipated, at the time of execution of this Agreement, arising from or related or attributable in whole or in part to, the Negotiations and/or Litigation, whether or not heretofore brought before any state or federal court or before any state or federal agency or other governmental entity.

2. UAPD understands that this Agreement extends to all grievances, disputes or claims of every nature and kind, known or unknown, actual or potential, anticipated or not anticipated, suspected or unsuspected, it may have against the County at the time of execution of this Agreement, relating to the Negotiations and/or Litigation. UAPD understands and expressly agrees that this Agreement also extends to any other matter, event or claim occurring prior to the date of execution of this Agreement relating to the Negotiations and/or Litigation, and claims relating to any conduct or activity which occurs after the date of execution of this Agreement related to the Negotiations and/or Litigation. UAPD further acknowledges that any and all rights granted it under section 1542 of the California Civil Code, or any other analogous federal or state law or regulation, are hereby expressly waived. Said section 1542 of the California Civil Code reads as follows:

//

**SECTION 1542. CERTAIN CLAIMS AFFECTED BY GENERAL RELEASE. A
GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR
DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME
OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST
HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE
DEBTOR.**

3. Each Party to this Agreement acknowledges having carefully read this Agreement and having been advised fully by legal counsel of the legal and binding effect of its terms. Each Party understands and expressly agrees that this Agreement shall bind and benefit its employees, agents, representatives and assigns. Each Party acknowledges that the only promises made to induce it to execute this Agreement are those stated herein. Having been fully advised and informed, each Party voluntarily enters into this Agreement, including the waiver of rights covered by this Agreement.

4. In exchange for the waivers, releases, promises and covenants contained in this Agreement, the Parties shall do the following:

A. UAPD shall provide the County with a list of physicians, which list shall designate the total sum to be paid to each, utilizing a format substantially similar to that set forth in Attachment "A". Attachment "A" is incorporated into this Agreement and made a part of this Agreement. The total to be paid by the County for the claims and/or potential claims of damages for all physicians combined shall equal \$10,150,400.00 (the "Settlement Amount"). The Settlement Amount is inclusive of all interest and/or other penalties, which may have occurred prior to, or may accrue subsequent to, execution of this Agreement by the Parties. Once prepared, the completed list shall be incorporated into this Agreement. UAPD has provided the

County with a list, a true and correct copy of which is attached to this Agreement as Attachment "B" and incorporated into this Agreement and made a part of this Agreement. Payments shall be made on the first business day of the month, starting on July 2, 2007, for those physicians who have delivered to counsel of record for the County, a signed Settlement Agreement and Release (described below) and which is in the possession of counsel of record for the County by the 15th day of the prior month.

1. 17 of the 194 physicians initially calculated by UAPD not to be entitled to any the Settlement Amount have been designated by UAPD for further investigation and each shall have their circumstances re-evaluated jointly by UAPD and County representatives to determine if they are entitled to any distribution from the Settlement Amount. At the time this Agreement was executed, Dan Braun is expected to participate in the analysis of this matter for UAPD and Wayne Willard is expected to participate in the analysis of this matter for the County, although such designations are subject to change. Should any of these 17 physicians be determined to be eligible for a distribution from the Settlement Amount, such distribution shall not increase the County's obligation under this Agreement. Any such distribution shall be made from the Settlement Amount and shall not increase the Settlement Amount. UAPD shall inform the County of the identity of the 17 physicians subject to additional reevaluation in writing.

2. UAPD shall notify the physicians of the terms of this Agreement. UAPD will obtain contact information from the Los Angeles County Employee Retirement Association ("LACERA") regarding retired physicians, in order to notify them of the terms of the Agreement.

//

3. After the joint analysis of the 17 physicians as described in Section III(4)(A)(1) above, any of those 17 physicians determined to have no damages shall be entitled to split equally the sum of \$1,400.00, from the Settlement Amount, to secure their agreement to waive their claims and/or potential claims against the County. This sum does not constitute compensation earnable. The sum to be distributed to each is set forth in Attachment "B".

4. In addition any other distribution she may be entitled to from the Settlement Amount, the widow of former physician Delford Williams shall receive \$149,000.00 out of the Settlement Amount. This distribution shall be in settlement of claims she may have regarding the difference in life insurance coverage for Dr. Williams while he was enrolled in Choices, as compared to Flex/MegaFlex. This sum does not constitute compensation earnable.

5. All distributions from the Settlement Amount for physicians not employed by the County at the time of distribution, will be made by the County payable to the physician, but shall be delivered to the attorney of record for UAPD, who will distribute them to the physicians. All distributions from the Settlement Amount for physicians still employed by the County at the time of distribution shall be paid directly to the physician by the County or directly into the physician's existing 401(k) account, as applicable. Subject to discussion with LACERA, any part of the Settlement Amount paid that constitutes "compensation earnable" under the County Employees Retirement Law, California Government Code section 31450, et seq. ("CERL") as determined in all cases by LACERA's Retirement Board, will be allocated for CERL purposes, pro rata to the months in which the physician was employed with the County between January 1, 2002 and December 31, 2003. All distributions from the Settlement Amount will be net of applicable withholding taxes and any member contributions to LACERA for pensionable amounts attributable to cash settlement.

B. Physicians still employed by the County on July 1, 2007, shall be eligible to prospectively participate in the County's 401(k) Savings Plan ("Savings Plan"), and entitled to matching contributions by the County pursuant to the terms of the Savings Plan. Physicians are subject to all Savings Plan terms, including but not limited, to all ordinary Savings Plan waiting periods and limitations regarding enrollment.

C. The County and UAPD shall each retain tax counsel of their choice to examine whether the portion of the Settlement Amount, designated on Attachment "B", as 401(k) Plan contributions, may be contributed to the physicians' 401(k) Plan accounts in accordance with applicable limitations under the Internal Revenue Code and the terms of the 401(k) Plan.

1. Until a consensus is reached by both tax counsel on whether the amounts designated as 401(k) Plan contributions can be deposited in the physicians' 401(k) Plan accounts, the County shall have no obligation to distribute that portion of the Settlement Amount.

2. 401(k) Plan contributions, if any are required to be made, shall be made directly into the physicians' existing 401(k) Plan accounts and shall be subject to the terms of the 401(k) Plan. A physician must still have a 401(k) Plan account open with the County and still be employed by the County at the time of contribution in order to receive a 401(k) Plan contribution. Physicians who no longer have an open 401(k) Plan account with the County, or are no longer employed by the County prior to the contribution being made, shall not be eligible for a 401(k) Plan contribution. Physicians may not open a new 401(k) Plan account or reactivate a closed account to obtain a 401(k) Plan contribution. Attachment "B" shall require 401(k) Plan contributions only for those physicians meeting these criteria. All distributions erroneously

designated in Attachment "B" to be for 401 (k) Plan contributions that do not qualify hereunder, shall be distributed by the County to the physicians in the same manner as the rest of the distributions from the Settlement Amount, including being distributed net of applicable withholding taxes.

D. Distributions from the Settlement Amount will only be made to a physician after the physician signs a Settlement Agreement and Release, in the form set forth in Attachment "C," which is incorporated into this Agreement and made a part of this Agreement. The widow of Dr. Delford Williams shall be required to sign a Settlement Agreement and Release modified to reflect the \$149,000.00 payment referenced in Section III(4)(A)(4) above. The County shall have no obligation to make a distribution from the Settlement Amount on behalf of a physician (including the widow of Dr. Delford Williams) unless the Settlement Agreement and Release described herein and attached as Exhibit "C" (or, for the widow of Delford Williams, as modified) is completed, executed by the physician and received by Counsel for the County by September 30, 2007. No distributions from the Settlement Amount shall be made for 401(k) Plan contributions designated on Attachment "B" unless, and until, tax counsel of the Parties reach consensus that such sums can be contributed to a 401(k) Plan account, pursuant to Section III (4)(C) above. In the event that tax counsel cannot reach a consensus that sums can be contributed to 401(k) Plan accounts the sums designated by UAPD for 401(k) Plan contributions on Attachment "B", shall be distributed by the County to the physicians in the same manner as the rest of the distributions from the Settlement Amount, including being distributed net of applicable withholding taxes. To the extent a physician has executed a Settlement Agreement and Release which calls for the County to make 401(k) contributions not authorized by this Agreement, counsel for UAPD may be required to obtain a new Settlement

Agreement and Release from that physician indicating the correct payout without unauthorized 401(k) Plan contributions and submit it to counsel for the County prior to September 30, 2007.

5. Each Party to this Agreement hereby covenants not to sue or initiate against any other Party to this Agreement or any person or entity described by or affected by this Agreement, any action or proceeding or to participate in same, individually, or as a member of a class, under any policy, contract, law or regulation, federal, state or local, pertaining in any manner whatsoever to the Negotiations and/or Litigation, pursuant to any rights any Party may have under any policy, or local, state or federal statute, law, or regulation, which legal action relies upon any facts or issues pertaining in any manner whatsoever to the Negotiations and/or Litigation.

6. The County and UAPD hereby authorize, instruct and direct their attorneys of record and/or representatives to execute all documents necessary and to take all actions required by this Agreement to accomplish and carry out its terms in a timely fashion.

7. It is understood and agreed that this Agreement is made as a compromise to resolve disputed claims and neither its execution nor the furnishing of consideration in compliance with this Agreement shall constitute or be construed for any purposes as an admission by any Party of liability, the merits of any claim or defense, or any violation of any federal or state law, statute, rule, regulation, or principle of common law. Any such liability, admission or violation is expressly denied by each of the Parties.

8. The County and UAPD each represent that they have not assigned or transferred, or purported to assign or transfer, to any person or entity, any claim or any portion thereof or interest therein against the County or its past or present officers, officials, executives, agents, assigns, executors, directors, heirs, predecessors, representatives, affiliates, employees, attorneys,

insurers, past and/or present parent, subsidiary and/or affiliated entities, direct or indirect successors-in-interest, and representatives of each of them, past or present.

9. The Parties further agree to bear their own costs and attorneys' fees and no representation is made that any Party shall be liable to the other for any costs or attorneys' fees they may have incurred as a result of the Negotiations and/or Litigation, and/or any other matter related to this Agreement.

10. This Agreement constitutes a single, integrated contract expressing the entire agreement of the Parties hereto. There are no other agreements, written or oral, express or implied, between the Parties hereto, concerning the subject matter hereof, except the terms of this Agreement, set forth herein. The Preamble and Recitals set forth in this Agreement are deemed an integral part of this Agreement.

11. No waiver of any Party to this Agreement of any breach of any term or provision of this Agreement shall be construed to be, nor be, a waiver of any preceding, concurrent or succeeding breach of the same, or any other term or provision hereof. No waiver shall be binding unless signed in writing and signed by the Party to be charged or held bound.

12. UAPD represents that aside from the Litigation, it has not filed any other lawsuits, complaints, claims, applications or charges against the County or any related persons or corporations or against any of its or their past or present officers, directors, governing bodies, employees, agents, predecessors, attorneys, divisions, affiliates, representatives, successors in interest and assigns and/or all persons acting by, through, under, or in concert with any of them, with any state or federal court, or local, state or federal agency, or administrative or quasi-administrative tribunal or person, based on any events related to the Negotiations and/or litigation occurring on or prior to the date of execution of this Agreement.

13. Should any provision of this Agreement be declared or determined by any court to be illegal or invalid, the validity of the remaining parts, terms or provisions shall not be affected thereby and said illegal or invalid part, term or provision shall be deemed not to be a part of this Agreement.

14. This Agreement is executed and delivered in the State of California and the rights and obligations of the Parties hereunder shall be construed and enforced in accordance with the laws of the State of California.

15. This Agreement cannot be amended, modified, or supplemented in any respect except by written agreement entered into by the Parties hereto.

16. This Agreement shall not be construed against any one Party, but shall be construed as if jointly prepared by the Parties hereto. Any uncertainty or ambiguity shall not be interpreted against any one Party.

17. It is further understood and agreed that if, at any time, a violation of any term of this Agreement is asserted by any Party hereto, that Party shall have the right to seek specific performance of that term and/or any other necessary and proper relief, including but not limited to damages, from any court of competent jurisdiction in Los Angeles County, California.

18. This Agreement may be executed as one or more counterparts, and each such counterpart shall be deemed an original, but all of which together shall constitute one and the same instrument. A photocopy or facsimile transmission of the Agreement, including signatures, shall be deemed to constitute evidence of the Agreement having been executed.

PLEASE READ CAREFULLY. THIS SETTLEMENT AGREEMENT AND
GENERAL RELEASE INCLUDES A RELEASE OF ALL KNOWN AND UNKNOWN
CLAIMS.

IN WITNESS WHEREOF, the Parties hereto have executed the SETTLEMENT
AGREEMENT AND GENERAL RELEASE.

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release ("Agreement") is made and entered into by and between _____ ("Employee") and the County of Los Angeles, including all departments and divisions thereof (collectively "County") (Employee and County may be referred to individually as "Party" or collectively as the "Parties") for the following purposes and with reference to the following facts:

1. WHEREAS, Employee is a current or former employee of the County, having worked during part, or all, of the period of January 1, 2002, through December 31, 2003, in a classification represented by the Union of American Physicians and Dentists ("UAPD").
2. WHEREAS, UAPD and County were involved in litigation related to the benefits provided to UAPD members, Los Angeles Superior Court Case No. BS081517 and Court of Appeal Case No. B170644, culminating in a published Court of Appeal Decision, *Union of American Physicians and Dentists v. Los Angeles County Employee Relations Commission* (2005) 131 Cal.App.4th 386 (collectively the "Litigation").
3. WHEREAS, Employee and County wish to finally settle and resolve any and all disputes and/or controversies between them related to the Litigation, as well as all issues related to their participation or non-participation in the County's 401(k) plan from January 1, 2002 (collectively, the "401(k) Plan Issues").

NOW, THEREFORE, the Parties covenant and agree as follows:

4. Upon execution of this Agreement, Employee hereby irrevocably and unconditionally releases and discharges the County, its officers, executives, agents, directors, representatives, employees, attorneys, and representatives of each of them, past or present, from any and all claims, actions, causes of action, judgments, liens, indebtedness, damages, obligations, losses, liabilities, claim for attorneys' fees or costs, and all other claims and rights of action of all kinds and descriptions, which Employee has or may have, whether known or unknown, suspected or not suspected to exist, actual or potential, anticipated or not anticipated, at the time of execution of this Agreement, arising from or related or attributable in whole or in part to, the Litigation and/or 401(k) Plan Issues, whether or not heretofore brought before any state or federal court or before any state or federal agency or other governmental entity.
5. Employee understands that this Agreement extends to all grievances, disputes or claims of every nature and kind, known or unknown, actual or potential, anticipated or not anticipated, suspected or unsuspected, between the Parties at the time of execution of this Agreement, relating to the Litigation and/or 401(k) Plan Issues and claims relating to any conduct or activity which occurs after the date of execution of this Agreement, related to the Litigation and/or 401(k) Plan Issues. Employee further acknowledges that any and all rights granted him or her under section 1542 of the California Civil Code, or any other analogous federal or state law or regulation, are hereby expressly waived. Said section 1542 of the California Civil Code reads as follows:

SECTION 1542. CERTAIN CLAIMS AFFECTED BY GENERAL RELEASE. A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

6. Employee acknowledges having carefully read this Agreement and having been advised fully by legal counsel of the legal and binding effect of its terms. Having been fully advised and informed, Employee voluntarily enters into this Agreement, including the waiver of rights covered by this Agreement.
7. In exchange for execution of this Agreement by Employee and for the waivers and releases contained herein, within twenty-one (21) days after execution of this Agreement by all the Parties, County will issue a check to Employee in the sum of \$_____, subject to applicable withholding taxes, and on July 1, 2007, a contribution to Employee's 401(k) account with the County in the amount of \$_____ for years 2002 and 2003 (subject to tax ruling that retroactive 401(k) contributions are lawful). If not, Employee shall receive this amount in a check subject to applicable withholding.

8. It is understood and agreed that this Agreement is made as a compromise to resolve disputed claims and neither its execution nor the furnishing of consideration in compliance with this Agreement shall constitute or be construed for any purposes as an admission by any Party of liability, the merits of any claim or defense, or any violation of any federal or state law, statute, rule, regulation, or principle of common law. Any such liability, admission or violation is expressly denied by each of the Parties.

9. The Parties further agree to bear their own costs and attorneys' fees and no representation is made that any Party shall be liable to the other for any costs or attorneys' fees they may have incurred as a result of the Litigation and/or 401(k) Plan Issues, and/or any other matter related to this Agreement.

10. This Agreement constitutes a single, integrated contract expressing the entire agreement of the Parties hereto. There are no other agreements, written or oral, express or implied, between the Parties hereto, concerning the subject matter hereof, except the terms of this Agreement, set forth herein. The recitals set forth in this Agreement are deemed an integral part of this Agreement.

11. No waiver of any Party to this Agreement of any breach of any term or provision of this Agreement shall be construed to be, nor be, a waiver of any preceding, concurrent or succeeding breach of the same, or any other term or provision hereof. No waiver shall be binding unless in writing and signed by the Party to be charged or held bound.

12. Should any provision of this Agreement be declared or determined by any court to be illegal or invalid, the validity of the remaining parts, terms or provisions shall not be affected thereby and said illegal or invalid part, term or provision shall be deemed not to be a part of this Agreement.

13. This Agreement is executed and delivered in the State of California and the rights and obligations of the Parties hereunder shall be construed and enforced in accordance with the laws of the State of California. It is further understood and agreed that if, at any time, a violation of any term of this Agreement is asserted by any Party hereto, that Party shall have the right to seek relief from any court of competent jurisdiction in Los Angeles County, California.

14. This Agreement cannot be amended, modified, or supplemented in any respect except by written agreement entered into by the Parties hereto.

15. This Agreement shall not be construed against any one Party, but shall be construed as if jointly prepared by the Parties hereto. Any uncertainty or ambiguity shall not be interpreted against any one Party.

PLEASE READ CAREFULLY. THIS SETTLEMENT AGREEMENT AND GENERAL RELEASE INCLUDES A RELEASE OF ALL KNOWN AND UNKNOWN CLAIMS.

IN WITNESS WHEREOF, the parties hereto have executed the SETTLEMENT AGREEMENT AND RELEASE.
